The Union Health Minister Dr. Sushila Nayyar arrived this afternoon at about 5.15 and stayed in our Bungalow.

Provision was made for her stay in my own sleeping room. This is the first time I have given the room to an outsider. So far Mr. Nambiar, Amma (S.V.K. Rao) and his family members and our own Kith and Kin from Haldi were allowed. This time I made a departure. I did it purposely. I wanted the Doctor to be present in the morning — Very early in the morning for the drill programme and also give no more time to see everything in K.H. Institute. She was a sport. She did consent to see every thing we showed her. At night, after dinner, she did attend the prayer meeting and liked the spirit. After the prayer she spoke for about ten minutes on the importance of prayer and refused to abandon prayer meeting. She was unwilling to sit on chair when others were squatting. Also, she said that prayer should always conducted by sitting freely on the ground itself. At night an incident happened. She asked Vimal her name then educational qualification. As she and Shanta were kept to work after hours it was but natural for Dr. Nayyar to ask questions to Vimal and have a talk with her. Then she looked Vimal's age her back as she had pain. Vimal had to do massaging for nearly half an hour as she did not desire to disturb her sleep. It was about 10.30 P.M. when she started massaging. She must have told Vimal for dinner. Anyway it was at about 11.15 P.M. that day that we took our dinner. The minister was accompanied by her Private Secretary Mirza and her Dy. Secretary Mr. Krishna Bihari. They stayed in Room No. 1 of the Guest House.

Dr. Nagappa Alva, the Health Minister of the State of Mysore arrived with her. It was a surprise visit and we all were the Doctor who had never replied to her not had come to keep the appointment he gave us had come without giving any idea about his coming to Shantiprabha. As we did not know anything about his coming we had not made any arrangements for his stay. So, he had to stay in P.W.D. Rest House at Shahpur.

I did tell him that I considered this action of the Railway as a blow to our administration and therefore desired to have a private and personal talk with him about the situation. I told him how Vicious but subtle propaganda was being carried on against K.H.I by interested parties in order to get their own desire of having another Sanitorium in Ghatkoprabha (just a few furlongs away from ours) fulfilled. MAY 1963

Sow. Vatsala Vaidya sent flowers fruits & 25/- along with a letter.

Tuesday 7

I wrote a letter today to Gunvantai and said to her that it seems I was born in 1889 and not in 1890 as I find in school leaving certificates. However, if I am born in 1889, then I am 74 complete today & not 73 complete. Any way I have added one year more today.

मे ता. ७ मंगळवार (127-238) वैशाख शु. १४ सं. २०१९

Because I had entered 74½ year of age today. I felt the love shown by her. Immediately I decided to go when and met her. I went, gave her, took a glass of milk from her and started Kiran and returned. I love the entire family of Dr. Vaidya though I am not going to that as I used to before. My not going to them is not lack of love but a kind of policy that I have followed.

I gave one Post Cards
5 N.P. Envelops
because I am in the habit of writing letters and through it kept my contacts.

Malati Bai (Dr Ambedkar) gave a list of Postal Extra Stamp Department and Inland Letters ( ) for the same reason for which I gave.

Usha Kapadia of Bombay, a Volunteer of Sevadal, met me all came.

Holiday Home — 4½ was inaugurated today by Shri G.R. Nalawadi of Dharwar. N.V.B Kabbur presided. I gave an idea of what the Home must what the K.T.I. was aiming at. N.M.K.V. rendered the two duets. It lasted from 5-30 P.M. to 6.30 P.M.

I have been reading a lot about Pratapgarh from my boyhood and used to be thrilled when I used to hear about the death of Afzulkhan — a Sardar of Bijapur Adilshah. Mr. Nadkarni, one of the military historians of Maharashtra, wrote a book on प्रतापगड and gave a number of maps. I have read that book a number of times and seen the maps. But Now, after seeing the fort and the actual site of Afzulkhan's death I am convinced that that was one of the most daring acts of Shivaji Maharaj during his life time. I was very much glad to feel that I had at least seen the place of daring — one of the most Courageous acts.

From Pratapgarh we went to Afzulkhan's mausoleum and was astonished to see how well it was kept and how much money was spent over the upkeep of that place. I didn't see that on the Fort itself. Bhavani Mata's temple also was kept unclean, undwept and unswept for it is a shame to the Hindu community itself. I thought of writing to Shri Yashwantrao Chavan our defence minister. Because, it is he who gave an encouragement to the young men of Maharashtra.

From Pratapgarh we went to Mahabaleshwar, moved a little on the Hill, saw some portions and left for Panchagani where we spent half an hour. Then we went straight to Satara which we reached at 12.30 noon. Took our food in a hotel and went to the Circuit House to meet Shri S.V. Krishnamoorthy Rao who was to be there as per schedule. I gave him letters of Dr. Vaidya Valaulkar Vaidya, Vimal and Shanta, and told him that I would like Dr. Ghatpraba the next morning by post.

We reached Sangli at 5.30 P.M. Took bath and attended the meeting at 6.30 P.M. About 125 boys and girls had come from 3 different places of Sangli Taluk.

Suman Pranjik was here. She had come to meet me. Rani Shinde was still in Sangli. He had gone to Kolhapur. But had informed Bapu that I had come.

Girls of the Holiday Home who had gone in a special bus to Kolhapur for an outing came (returned) at about 11-25 P.M. They were to come at 8 or 9 P.M. They did not turn up by that time So, we were worried. Our telephone also was out of order. Even if the party had tried to telephone to us about their difficulty we would have known as the telephone was out of order. All of us were anxiously awaiting their arrival. Fortunately without any untoward happening the bus arrived at about 11-25 P.M. All were safe and comfortably settled. All the children and the elders of the Party took food before they slept. The Driver and the Inspector were both nice and they helped the party to the best of their ability.

Had been to the Station area to see the pit - dirty pit - full of dirty water and filth - where girl was drowned. Dr. Vaidya had gone to attend an accident. He said the girl is dead. Rahul returned to attend this work. When I came to know about it I went to the spot with Meenatai, Shanta and Vimal. We saw the dead body of the girl and two of women sitting and crying. There was large crowd. Matter in case of that girl. Saw the pit. Later on, had a talk with Dr. Pattanshetti and Mr. Bhagawan Singh. I requested them to help me in cleaning the entire area around the Rly Station. Promising them that I would visit the area with them and study every thing.

A thought came - Begin from Ghatprabha first then only. Today I told Dr. Vaidya that we should spend some money - upto 1500 Rupees over the work that we do in the area but some of the funds allotted for this purpose be spent here.

Left Ghataprabha at 7.45 in the morning for Bijapur with Dr. Kakar, Meerai, Shanta and Kashibai. We reached Bijapur at 10.40 A.M. — after about 3 hours. Went to Mulukh a Maidan Gun, saw it and then went to Shri Desai's house. We took our tea there and went to see Ibrahim Roja and Taj Bawadi. Returned to Desai's for lunch. Anantbhai, Sonopant and Rikka Ranganis came to see me. At about 3.5 P.M. we left for seeing Gol Gumaz and other monuments. At 4.30 went to Krishna Kajalp and stayed there for 20 minutes. Then to the Congress House. There we had a lecture. Sewadal meeting. Most of our Organisers from Mysore state had come there. I was glad to meet them. In my address I spoke to the boys and girls about having no girls' organisation in our State. Smt. Dube and Mr. S.R. Patil, members of [illegible] were there. A good gathering of boys and girls besides the leaders of Bijapur had come. We had a photo afterwards. At 6.10 P.M. we left Bijapur for Ghataprabha and reached there at about 9.15 P.M. Took meals afterwards.

Umabai, Ramakant and Gokak's son, daughter and two. Gokak himself did start today for Hubli by the same train.

First time a total number of 40 children were seen in Balwadi. It was a pleasant sight. Some were crying slowly and some loudly. Some were playing and some others were moving hither and thither. There were Urine and water on the floor. To control these children there was Vimal, Gita and Vimal. How difficult it is to hold them together and make them keep quiet.

Balwadi needs more space, more teachers and more material. We will have to attend to this and help Vimal in her task and make her more efficient.
